ROSITA™

The beauty of Bathroom

**WELCOME
TO THE SPECIAL
WORLD**

OF ROSITA BATHFITINGS !

THE DELICATE BALANCE
BETWEEN HUMAN AND THE NATURE

Environmental design, pay attention to ecological

take into account the delicate balance between man and nature, advocating environmental protection Pescod, give full consideration to improve water utilization, reduce the optimization problem of noise pollution and other ecological environment, carefully designed faucet flow means to control its operation noise, so that we produce showers and ecological environment harmonious blending.

Quality refined body

Imports of copper body, sturdy texture, Switzerland and Italy, and the use of advanced technology and equipment, product cavity smooth, high strength, It can withstand 50 kg (the national standard of 25 kilograms) of water pressure.

Quiet design

Noise spool specially designed nets, and special parts water connection, so the amount of sound Pescod shower to meet the highest requirements at the public, brings feelings of pleasure use.

Fast Clean Technology

More durable, more hygienic, anti-clogging, can be easily wiped off the scale from wow glue nozzle.

Constant current technology

Pescod concern precious water resources while allowing you to enjoy full bath, Pescod shower uses a unique constant current technology, Generally the higher the greater the flow pressure shower, and shower Chigo special constant current technology, even more than three Pawater pressure, flow is also constant, This constant current technology the industry has been widely recognized, respected.

High quality spool

Faucet core components-the spool rests faucet shower after two porcelain plate special firing the composition, its properties similar to diamond hardness reaches 1000 degrees. Trough the complex process of integration of new physical properties comparable o diamond hardness of the material, after numerous tests, more than 50 Million times of operation and 25 kg of water pressure on the structure terms of the precision of it are alone.

Ergonomic design for optimum comfort height

Pescod faucet with user-friendly design from appearance to handle the flow point of view, give full consideration to all families habits and create convenient and comfortable experience. Easy to wash, daily needs mouthwash, shampoo, etc., diverse functions give you a unique love and care.

Using multiple surface treatment technology

Rosita Faucet surface, after grinding, polishing, ultrasonic dust removal, copper, pure nickel, chrome-plated surface plus, clean paint and other high-tech surface treatment technology, so that the air is completely isolated and shower products, Because of the use of almost demanding surface treatment technology, so Pescod shower surface through the neutral salt spray test over 200h, to achieve the national target 4 times! Resistance Corrosion in the industry ahead, Without blistering, detachment, deformation, Even long-term wet bathroom also has superior corrosion resistance, never worn, brilliance and pleasant, long-lasting as new.

AIR technology

Water mixed with air, will produce countless drops of water sprayed on the body like a warm summer rain, thanks to Chigo air injection technology, which while in the water more efficient use of water, But also greatly improve the shower fun.

Easy installation technology

Pescod faucet soecial locking without special tools, you can solve the difficult problem of installation.

TAKE CARE OF YOUR FAMILY WHOLE- HEARTEDLY

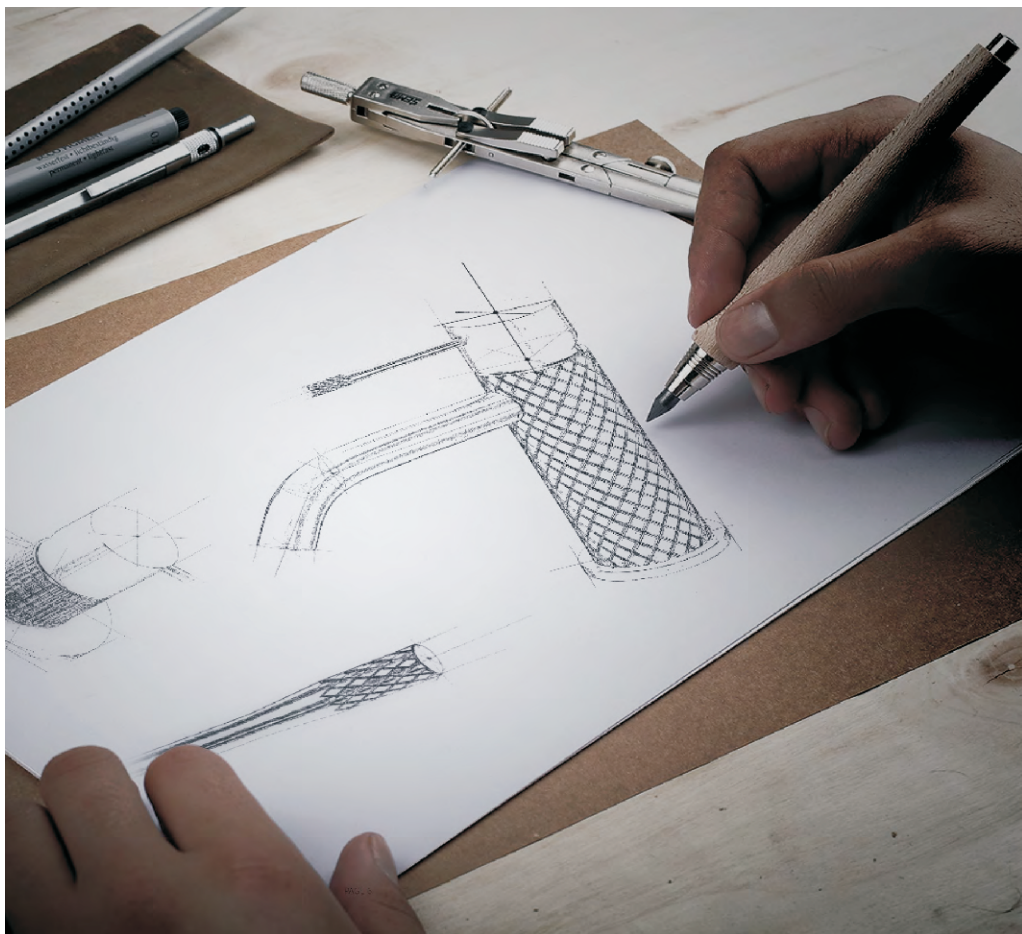

When the “green, environmental protection, energy fashion” has become the mainstream of thinking at home and abroad, more and more the pursuit of quality of life of people paying attention to the living room, bedroom space outside the third - the bathroom. With the development of society, the bathroom from past to meet only a bath. clean functional needs, has evolved into a modern leisure and enjoy the space, there is a growing emphasis on health and environmental protection toilet. Green, energy, reduce pollution has become a business, consumers and the pursuit of a common philosophy. Rosita bathroom has always advocated “green, water saving, health and safety,” the new concept of the bathroom

ORIA

PERFECTION CREATED FROM BRASS

The journey from a solid block of brass to precision-crafted masterpiece is a slow and careful one.

Each component passes through the knowing hands of a seasoned craftsman and beneath the watchful eye of an exacting quality evaluator. Only the most perfect work leaves our workshop bearing the Rosita signature of approval.

SERIES

Series follows the philosophy of combining different aesthetics. Industrial art, humanism and craftsmanship in an excellent balancing and creative approach giving rise to a simple and unique concept

Design is something you have to put your hand to

ROSITA

R-6990OJ

Shower Panel Push Button Three Function

MRP - Rs.44550.00

Pisa Collection

Industrial style is all about the marriage of form and function. It favors practical materials and straightforward designs and manages to remain effortlessly chic and edgy in spite of its simplicity.

Rosita collection presents itself with special industrial aesthetics: thus shocking all our senses with its crafts, conveying a kind of Mechanical Romanticism.

LEADING BRAND OF 38° C INTELLIGENT SANITARY WARE

TO PREVENT BURNS
PROVIDE COOL BODY TEMPERATURE
RELIEVE PRESSURE
AND TEMPERATURE DIFFERENCES

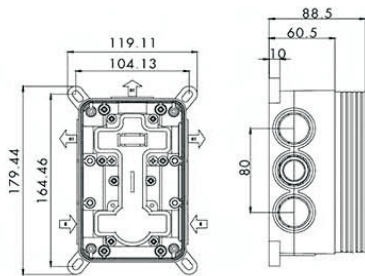

Bathing beauty is that provides people with a relaxation, relieve fatigue of space and means, Bathing process is a enjoyment experience the traditional shower products often because of water pressure temperature and other issues, the formation of uneven bathing process hot and cold. Water pressure suddenly big suddenly small problem, even cause burns and cold shock and either serious problems. Rosita precise control of instantaneous temperature, water pressure automatically adjust the constant pressure, soft water does not stimulate

CONCEALED MIXER

Streamlined simple fashion

SELECT YOUR
SHOWER PLEASURE

A concept for running showers and bath that is as straightforward as it is ingenious : the water is turned on and off with a simple press of the ergonomic push-button and the temperature is preset at the thermostatic handle. This represents real convenience for young and old alike, and for every stage in life, since the mechanical buttons click quietly but audibly when pressed, while not actually retracting into the mixer. So you can feel them at all times - even when your face is covered in lather.

AIR GENERATOR

The air generator can be adjusted to be with air or without air according to your preferences.

107

The air generator can be adjusted to be with air or without air according to your preferences.

Compression Technology

2kg=3kg?

Water Conservation

33 %

It inosculates the advanced aerodynamic compression technology when you use it, the strength generated by each water flow inside the shower will be recycled by AGS unit and turn into energy absorbing, inhale the ambient air and combines it with water to achieve the air-water mixing effect. Benefit from this, under 2KG pressure, the bather can get the feeling like undering 3KG pressure, water conservation on is up to as amazing as 33%.

ROSITA... INDIA FAUCET, SANITARYWARE AND BATHING PRODUCTS LIMITED WARRANTY

Rosita India's, Faucets Products(Valve,lavatory facucetBath and Shower etc.) and Bathing Products used in normal residential and non-residential commercial settings are warranted to be free of defects in the material and workmanship for the period of time set forth in the warranty coverage chart as detailed below, commencing from date of sale of Rosita's Faucet Sanitaryware and Bathing' Products to the original purchaser ("warranty period").

Warranty Chart Faucets		
Products	Residential Use	Non Residential Commercial Use
	CP Finish	CP Finish
Rosita Faucets	10 Years	5 Years
Rosita Health Faucets	3 Years	1 Years
Sensor Faucets and Other Commercial products	1 Year	6 Months
Sensors, Electronic Circuits, Electrical Assembly, Motor and PumpFaucets	1 Year	6 Months
In-Wall Tank Warranty Of Spare Parts * Of In-Wall Tank-2years	10 Years	5 Years
Fitting Fitting comprise of spares/accessories of Faucet, Sanitaryware and Bathing Products and include such as Fill Valve Assembly, Flush Valve Assembly, Jets, Dial; Trim, Washer	2 Years	1 Years

During the warranty period if (in the opinion of Rosita India) the defect is due to defects in the material or workmanship, Rosita India or its Authorized Service Franchisee/Representative will, at its sole option, repair or replace free of cost, any defective component or part of the Faucet, Sanitaryware and Bathing product, subject to the terms and conditions described below: Rosita India or its Authorized Service Franchisee solely can service/repair the Product. This warranty is only effective if proof of purchase (original sales receipt) is provided with all warranty claims or requests.

1. This warranty does not include payment of or responsibility for any excise duty, central taxes, state taxes and octroi or other local taxes assessed to the parts supplied, replacement unit or repaired during the warranty period.
2. This warranty is not valid and in-effective, if the Products are not installed according to the instruction manual, the Product is found tempered/misused, any warranty norms are violated, Customer is unable to produce copy of invoice at the time of service visit, the breakdown is not arising out of manufacturing defect, but due to external reason such as: water impurities, masonry, electrical, plumbing error, water hardness beyond permissible limits, inadequate or excessive water pressure, non-usage of product for more than 6 months, usage of abrasive cleaners, ammonia, bleach, acid, wax, alcohol, solvent or any other non-recommended items on product, or improper care and cleaning of the product.

3. Rosita India is not responsible for labour charges, installation or other incidental or consequential costs. Rosita India is not responsible or liable for any special or consequential damages due to the defective Product, or due to defects of any component or part thereof. In no event shall the liability of Rosita India exceed the purchase price of the Product.
4. Internal and external Cleaning of the products, such as In-wall tank, drain and drain plugs, aerators, shower nozzles, faucet finishes are not covered under Rosita Limited warranty.
5. If the Product is installed beyond the municipal limits of Rosita India's branch Office/Authorized Service Franchisee locations, any and all costs and expenses incurred for repair /service of the Products in respect of a) to and from travel of service personnel and b) transportation of the Product and/or spare parts and/or components from the location of Rosita India's branch office or Authorized Service Franchisee to customer's location and back shall be borne wholly and solely by the customer at the prevailing rates, and Rosita India shall not be liable for any damage caused to the Product in transit or delivery for repair.
6. Warranty period will start from date of invoice and shall automatically terminate upon the expiry of the warranty period even if the Product has not been installed after purchase or has not been in the use for any part or whole of the warranty period for any reason whatsoever.
7. In the event of any repairs/replacement of any parts of the Product, this warranty shall thereafter continue and remain in force only for the unexpired period of the warranty. Any time consumed for the repair/ replacement of parts including transit of the Product or its parts or any period during which the Product has not been used whether under warranty or otherwise shall not be excluded from the warranty period and no extension of the warranty period will be granted
8. In the event of non-availability of components or parts due to any reason whatsoever, neither Rosita India nor its Authorized Service Franchisee nor the Dealer will be responsible or liable for any delay that may be caused to service/repair of the Product. In the event that the same model or colour is not available for replacement, Rosita India or its Authorized Service Franchisee will replace the defective Product with an equivalent model or colour.
9. Rosita India may at its discretion, retain any part or component replaced during the warranty period.
10. For Faucet, Sanitaryware and Bathing products sold in India, only this Warranty document is applicable. Any reference to any other warranty document will not be considered. This is Rosita India's exclusive written warranty. The decision of Rosita India regarding the warranty is final and binding. All disputes are subject to the exclusive jurisdiction of the courts of Gurgaon only

Notice: Failure to comply with these cleaning instructions may void Rosita's warranty obligations.
